

7th International Conference AVR 2024: Lecce, Italy, September 10, 2024 - Proceedings

The 7th International Conference on Advanced Vehicle Engineering (AVR 2024) will be held in Lecce, Italy, on September 10, 2024. The conference will bring together leading researchers and practitioners from academia, industry, and government to discuss the latest advances in vehicle engineering.

The conference will cover a wide range of topics, including:

- Automotive engineering
- Vehicle design
- Vehicle safety
- Vehicle emissions
- Vehicle dynamics
- Vehicle control

The conference will also feature a number of special sessions, including:

Augmented Reality, Virtual Reality, and Computer Graphics: 7th International Conference, AVR 2024, Lecce, Italy, September 7–10, 2024, Proceedings, Part ... Notes in Computer Science Book 12243 by Cristina Sandu

Screen Reader	: Supported
Enhanced typesetting	: Enabled
Print length	: 575 pages
Paperback	: 236 pages
Item Weight	: 12.9 ounces
Dimensions	: 6.1 x 0.54 x 9.25 inches

- The future of automotive engineering
- The role of vehicle engineering in sustainable transportation
- The impact of vehicle engineering on society

The proceedings of the 7th International Conference on Advanced Vehicle Engineering (AVR 2024) will be published by Springer in the Lecture Notes in Mechanical Engineering series. The proceedings will be available in both print and electronic formats.

The proceedings will include the full text of all papers presented at the conference. The papers will be peer-reviewed and edited by a team of international experts.

The proceedings will be a valuable resource for researchers, practitioners, and students in the field of vehicle engineering. The proceedings will provide a comprehensive overview of the latest advances in vehicle engineering and will help to shape the future of the field.

- **Paper submission deadline:** March 15, 2024
- **Notification of acceptance:** May 15, 2024

- **Camera-ready paper submission deadline:** June 15, 2024
- **Conference dates:** September 10, 2024

The 7th International Conference on Advanced Vehicle Engineering (AVR 2024) will be held at the University of Salento in Lecce, Italy. The university is located in the heart of the city, within walking distance of many hotels and restaurants.

The conference venue is a modern, state-of-the-art facility that is well-equipped to host a major international conference. The venue includes a large auditorium, several meeting rooms, and a spacious exhibition area.

The 7th International Conference on Advanced Vehicle Engineering (AVR 2024) is organized by the University of Salento in Lecce, Italy. The conference is also supported by the Italian Association of Automotive Engineers (ATA) and the European Association of Automotive Engineers (EAEE).

For more information about the 7th International Conference on Advanced Vehicle Engineering (AVR 2024), please contact the conference secretariat at avr2024@unisalento.it.
