## Synopsis

Ethan James is a billionaire bad boy with a reputation for being ruthless and arrogant. Harper Reed is a brilliant businesswoman who hates everything about Ethan, from his cocky smile to his expensive suits. But when they're forced to work together on a high-stakes project, their undeniable chemistry and mutual respect begin to chip away at their animosity.

As they spend more time together, Ethan and Harper discover that there's more to each other than meets the eye. Ethan is not as heartless as he seems, and Harper is not as cold as she pretends to be. But just when they're starting to fall for each other, a shocking secret from Ethan's past threatens to tear them apart.
