Reviews

"This book is a must-read for anyone who wants to understand the challenges facing our nation. The authors provide a clear and concise overview of the different types of bias, the role of misinformation, and the ways in which special interests use their power to influence policy and public opinion. They also offer practical strategies for combating bias and promoting a more informed and united society."

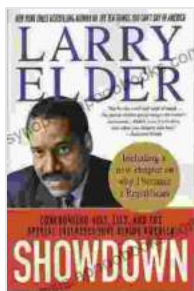

- Kathleen Hall Jamieson, Elizabeth Ware Packard Professor of Communication, University of Pennsylvania

"This book is an essential guide to the ways in which bias, misinformation, and special interests are tearing our country apart. The authors provide a wealth of information and insights that will help you to understand these challenges and to develop strategies for combating them."

- David Dunning, Professor of Psychology, Cornell University

"This book is a timely and important contribution to the national conversation about bias, misinformation, and special interests. The authors provide a clear and concise overview of these challenges and offer practical strategies for combating them. I highly recommend this book to anyone who wants to understand the forces that are dividing our country and to take steps towards a more informed and united future."

- Michael W. McConnell, Richard and Frances Mallery Professor of Law, Stanford Law School
