Summary

From the depths of the ocean to the heart of an ancient conspiracy, Blue Gold is a thrilling adventure that will keep you on the edge of your seat. Join Dirk Pitt and his team from the National Underwater and Marine Agency (NUMA) as they embark on a treacherous expedition to uncover the secrets of a sunken treasure and a forgotten civilization.

When a mysterious distress signal leads NUMA to the wreck of a Spanish galleon off the coast of Colombia, they discover a treasure trove of gold and artifacts. But as they investigate further, they realize that the treasure is not what it seems. The gold is radioactive, and it is linked to a long-lost civilization that possessed advanced technology and a deadly secret.

As Pitt and his team race against time to unravel the mystery, they must confront dangerous underwater creatures, ruthless treasure hunters, and a shadowy organization that will stop at nothing to possess the gold. Along the way, they uncover a conspiracy that reaches the highest levels of power and threatens to unleash a global catastrophe.
