Written by renowned aviation expert and former Royal Air Force display pilot, Chris Bulloch, "Flying Past" offers an insider's perspective on the world of historic aircraft display. Bulloch draws upon his extensive experience, spanning over 30 years, to provide an unparalleled exploration of this fascinating subject.

## **A Journey Through Time and Skies**

Within the pages of "Flying Past," readers embark on a chronological journey from the dawn of aviation to the present day. They encounter iconic aircraft such as the Sopwith Camel, the Spitfire, and the Lancaster bomber, each with its own compelling story to tell.

Bulloch meticulously documents the challenges and triumphs faced by those who keep these historic aircraft airborne. He delves into the intricacies of aircraft maintenance, restoration, and the rigorous training required for display pilots.

## **Witnessing Aviation History in Motion**

The heart of "Flying Past" lies in the vivid accounts of historic aircraft displays. Bulloch transports readers to air shows and flypasts around the world, capturing the exhilarating moments when these aircraft grace the skies once more.

Through stunning photography and insightful anecdotes, readers witness the Spitfire's graceful aerobatics, the Lancaster's thunderous roar, and the Mosquito's lightning-fast speed. These firsthand accounts offer a mesmerizing glimpse into the spectacle and artistry of historic aircraft display.

## **Unveiling the Human Element**

Beyond the technical aspects of display flying, "Flying Past" also sheds light on the human side of aviation. Bulloch introduces readers to the passionate individuals who dedicate their lives to preserving and showcasing historic aircraft.

From skilled engineers and meticulous restorers to daring display pilots, Bulloch highlights the unwavering determination and love that drives these individuals to share the wonders of aviation with the public.

## **A Visual and Informative Feast**

In addition to its captivating narrative, "Flying Past" boasts stunning visual content. Over 300 high-quality images, many of which have never been published before, immerse readers in the world of historic aircraft. These photographs capture the beauty and power of these machines, providing a vivid complement to the text.

## **A Must-Have for Aviation Enthusiasts**

Whether you are a seasoned aviation buff or a curious newcomer, "Flying Past: Tales of Displaying Classic Historic Aircraft" is an essential addition to your library. It is a comprehensive and captivating exploration of a fascinating aspect of aviation history, told by a master storyteller.

Free Download your copy today and embark on an unforgettable literary journey that will ignite your passion for the skies and leave you with a newfound appreciation for the timeless legacy of aviation.

## **Additional Features**

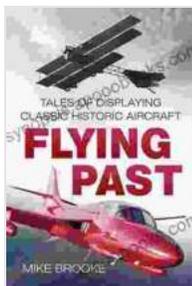

- **Full-color photography:** Over 300 stunning images bring the aircraft and their stories to life.
- **Personal anecdotes:** Firsthand accounts from display pilots and engineers provide an intimate glimpse into the world of historic aircraft.
- **Historical insights:** Bulloch delves into the historical significance of the aircraft featured, providing a rich context for their display flights.

- **Comprehensive index:** Easily find information on specific aircraft, display teams, and events.
