About the Composer:

George Frideric Handel (1685-1759) was a German-born composer who became one of the most renowned and influential figures in the history of music. His works span a wide range of genres, including operas, oratorios, concertos, and chamber music.

Handel's music is known for its beauty, elegance, and technical brilliance. His compositions are frequently performed and recorded by musicians around the world.

About the Arranger:

John W. Duarte (1919-2004) was a British classical guitarist and composer. He was a renowned performer and teacher, and his arrangements for solo guitar are widely respected.

Duarte's arrangements are known for their accuracy, clarity, and musicality. He has helped to make classical guitar music more accessible to players of all levels.
