The team was founded in 2010 by a group of women who were tired of being treated like second-class citizens in the world of hockey. They wanted to create a team where women could play the game they loved without having to worry about being judged or harassed. The Rime Fire MC has quickly become one of the most successful women's hockey teams in the world. They've won two national championships and have represented the United States in international competition. The team has also been featured in several documentaries and television shows, and their story has inspired countless women around the world.

The Rime Fire MC is more than just a hockey team. They are a symbol of strength, resilience, and determination. They are proof that women can achieve anything they set their minds to, no matter what obstacles they face.
