By the time she was 18 years old, Jessica had been through more than most people experience in a lifetime. She had been molested by her stepfather, raped by a stranger, and trafficked for sex. She had also spent time in foster care and juvenile detention.

But Jessica is not a victim. She's a survivor. And she's telling her story in the hope that it will help others who have faced similar challenges.

In her new book, *She Needed a Hero*, Jessica shares her story with raw honesty and brutal detail. She doesn't shy away from the difficult parts of her past, but she also shows how she was able to overcome them.

Jessica's story is a testament to the power of resilience. It's a story of how one woman was able to pick herself up from the ashes of her past and

build a new life for herself.

She Needed a Hero is a must-read for anyone who has ever faced adversity. It's a story of hope, healing, and redemption.
