In this latest installment of the popular Judge Dredd series, Dredd is called to investigate a murder in the Cursed Earth, a wasteland outside the walls of Mega-City One. The victim is a young woman named Lena, and her death appears to be the work of a serial killer.

Dredd soon discovers that Lena was not the only victim. A string of similar murders have been committed in the Cursed Earth, and the killer is targeting young women.

As Dredd investigates, he uncovers a dark secret. The killer is not just a random murderer. He is a member of a secret society that is plotting to overthrow Mega-City One.

Dredd must stop the killer before he can carry out his plans. But the killer is cunning and ruthless, and he will not go down without a fight.

Judge Jury Executioner 15 is a thrilling and suspenseful space opera adventure. It is a must-read for fans of the series and for anyone who loves a good legal thriller.
