Johann Sebastian Bach's violin sonatas and partitas are some of the most challenging and rewarding pieces in the violin repertoire. They are also some of the most popular, and for good reason. Bach's music is full of beauty, complexity, and depth. It is music that can be enjoyed by listeners of all ages and backgrounds.

The Student Violinist Bach: The Craig Duncan Method is a comprehensive guide to playing Bach's violin sonatas and partitas. This book provides detailed instructions on how to approach each piece, as well as exercises and etudes to help you develop the necessary technique.

Craig Duncan is a world-renowned violinist and педагог. He has taught at the Juilliard School, the New England Conservatory, and the University of Southern California. He is the author of several books on violin playing, including The Art of Violin Playing and The Complete Violinist.

Duncan's approach to teaching Bach is based on the idea that students should learn to play the music from the inside out. He believes that students should first understand the structure of the piece and the composer's intentions before they begin to focus on the technical details.

The Student Violinist Bach: The Craig Duncan Method is a valuable resource for any violinist who wants to improve their playing of Bach's music. It is a comprehensive guide that provides detailed instructions on how to approach each piece, as well as exercises and etudes to help you develop the necessary technique.
