In 2016, I was diagnosed with a rare and aggressive form of throat cancer. I was given a 10% chance of survival. This book is the story of my battle with cancer, from my diagnosis to my eventual death.

The book is divided into three parts. The first part, "The Diagnosis," tells the story of how I was diagnosed with cancer and how I came to terms with my diagnosis. The second part, "The Treatment," follows my journey through the various treatments I received, including surgery, chemotherapy, and radiation therapy. The third part, "The Aftermath," tells the story of how I lived with cancer and how I prepared for my death.
